2015 ANNUAL MEETING

The annual membership meeting of the ACIPCO Federal Credit Union will be held Sunday, January 25, 2015, at 2 p.m. in the "Y" Building Second Floor.

The nominating committee has submitted the following slate of officers to be voted on at the meeting: Board of Directors - Mike Harrell and Pervin Norris.

CELEBRATING 50 YEARS OF EXCELLENCE

A Message from the Manager, Mike Harrell

Another year has come and gone, and with it a milestone; the Credit Union's 50th anniversary. Those who saw it only in its early years would scarcely recognize the Credit Union today. ACIPCO Federal Credit Union has grown into a sound, successful financial institution, outperforming its peers in almost every area.

While Management and the Board of Directors likes to think we had a role in that success, we know it goes a lot deeper. Having a strong and supportive sponsor group that appreciates the Credit Union as a benefit to its employees is fundamental. ACIPCO hits that mark squarely.

But an even greater part of the success equation lies in the hands of the membership. ACIPCO Federal Credit Union truly belongs to you, the members, and you decide its fate more than you may realize. When you choose the Credit Union to finance your car or home or handle your checking account, or when you use one of our cost saving programs like e-statements, you're directly contributing to the success of the Credit Union. That member loyalty is what keeps the Credit Union strong through good times and bad. I can't thank our members enough for your support and urge you not only to continue, but invite your family members to join as well. We'll do everything we can to continue to earn your loyalty.

Have a safe and Happy New Year!

WE DID IT AGAIN!!!

ACIPCO Federal CU's board of directors recently voted to pay a 35% interest rebate/ dividend bonus. Members will receive a rebate of 35% of all interest paid to the Credit Union from Jan 1 – Sept 30, as well as a bonus dividend of 35% of dividends earned during that period. Manager Mike Harrell instituted the rebate program in 1993, shortly after joining the ACIPCO FCU staff.

2014 will mark the 22nd consecutive year for the rebate and will bring the total to just over \$28 million returned to members.

The funds were deposited to members' share accounts Dec 11th.
